

Story 1

Total Emission over Country	Countries Emitting Highest Co2	Year wise Co2 Emission	Co2 Emission over India vs United States	Continent wise Co2 Emission	Capita wise Co2 Emission	Co2 Emission due to Internal
-----------------------------	--------------------------------	------------------------	--	-----------------------------	--------------------------	------------------------------

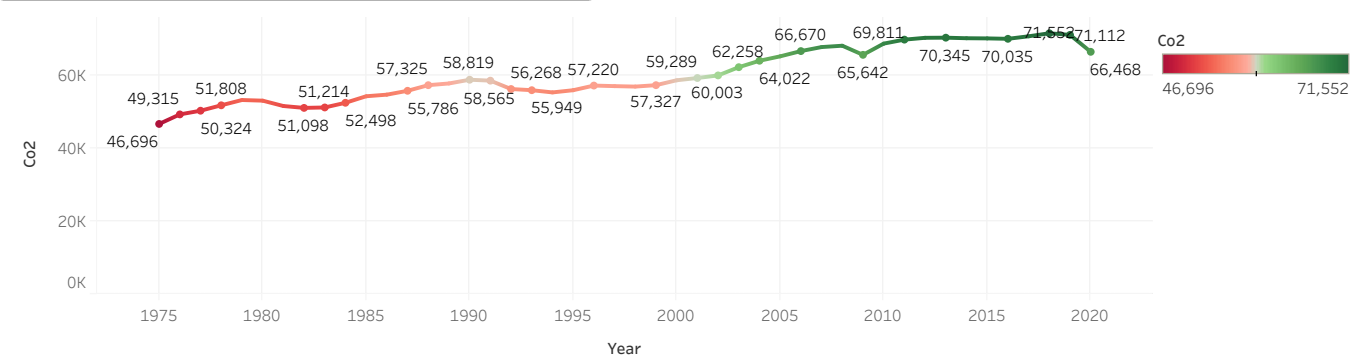

Story 1

Total Emission over Country	Countries Emitting Highest Co2	Year wise Co2 Emission	Co2 Emission over India vs United States	Continent wise Co2 Emission	Capita wise Co2 Emission	Co2 Emission due to Internal
-----------------------------	--------------------------------	------------------------	--	-----------------------------	--------------------------	------------------------------

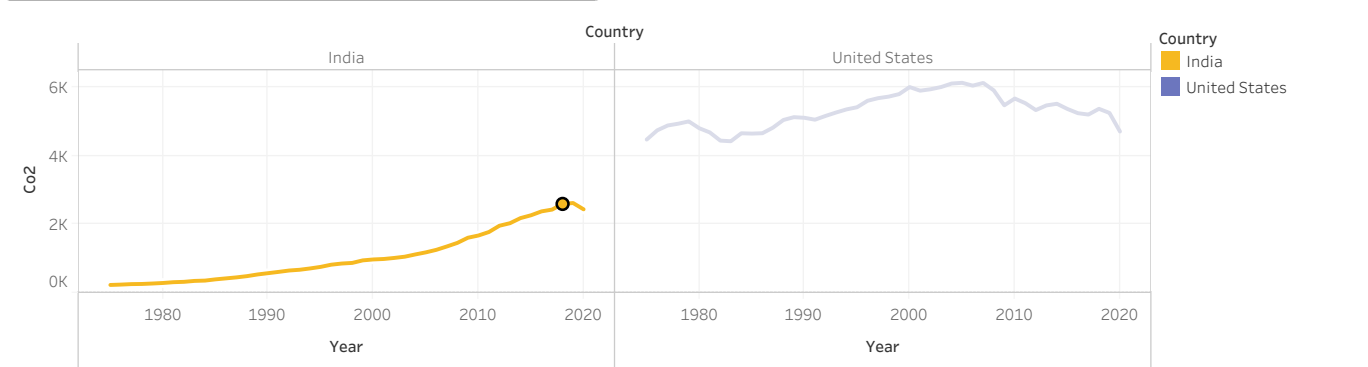

Story 1

Total Emission over Country	Countries Emitting Highest Co2	Year wise Co2 Emission	Co2 Emission over India vs United States	Continent wise Co2 Emission	Capita wise Co2 Emission	Co2 Emission due to Internal
-----------------------------	--------------------------------	------------------------	--	-----------------------------	--------------------------	------------------------------

Story 1

Total Emission over Country	Countries Emitting Highest Co2	Year wise Co2 Emission	Co2 Emission over India vs United States	Continent wise Co2 Emission	Capita wise Co2 Emission	Co2 Emission due to Internal
-----------------------------	--------------------------------	------------------------	--	-----------------------------	--------------------------	------------------------------

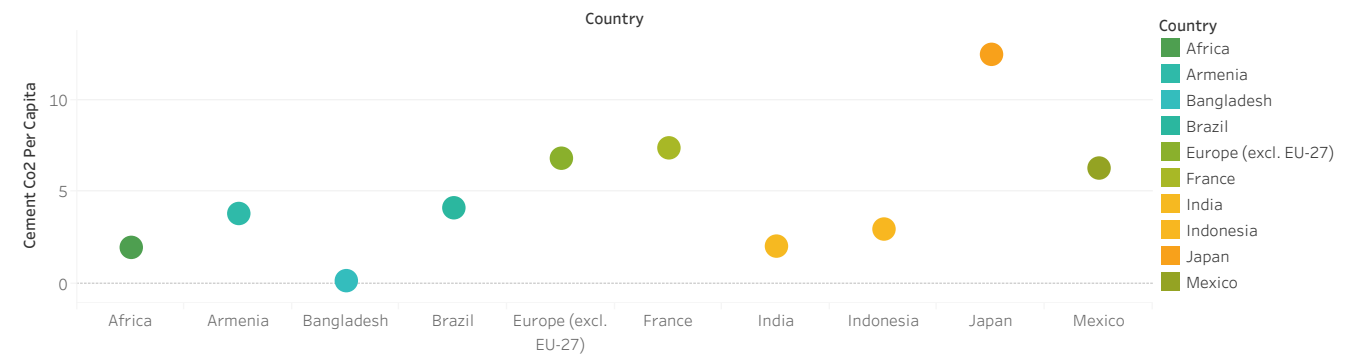

Story 1

Countries Emitting Highest Co2	Year wise Co2 Emission	Co2 Emission over India vs United States	Continent wise Co2 Emission	Capita wise Co2 Emission	Co2 Emission due to Internal	Continent Contribution due to Coal and Ceme..
--------------------------------	------------------------	--	-----------------------------	--------------------------	------------------------------	---

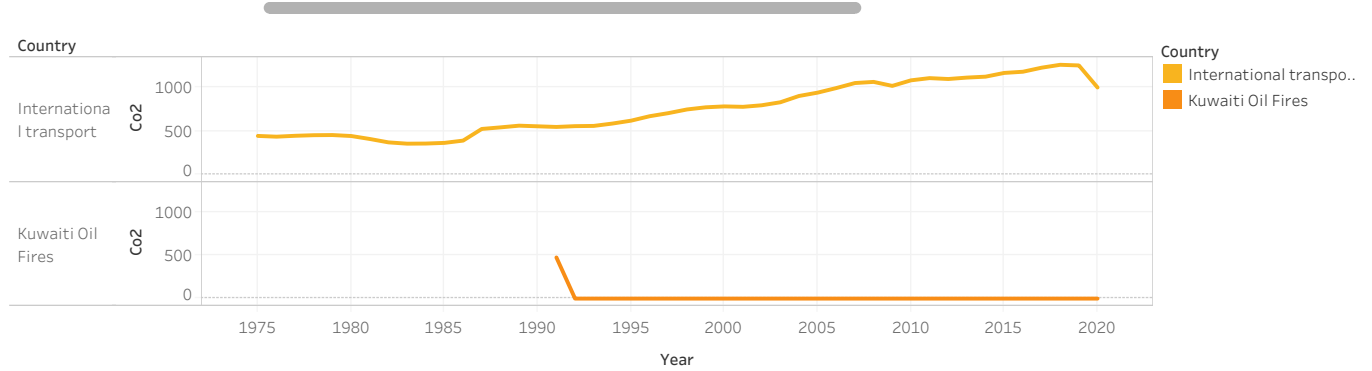

Story 1

Year wise Co2 Emission	Co2 Emission over India vs United States	Continent wise Co2 Emission	Capita wise Co2 Emission	Co2 Emission due to Internal	Continent Contribution due to Coal and Ceme..	Continent Contribution due to Gas and Oil
------------------------	--	-----------------------------	--------------------------	------------------------------	---	---

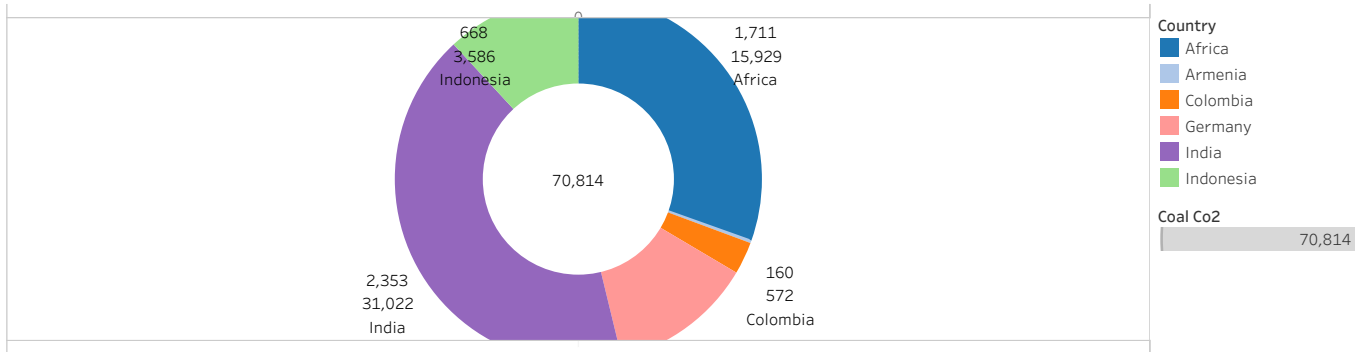

Story 1

Co2 Emission over India vs United States	Continent wise Co2 Emission	Capita wise Co2 Emission	Co2 Emission due to Internal	Continent Contribution due to Coal and Ceme..	Continent Contribution due to Gas and Oil	Emission for Past 10 Years
--	-----------------------------	--------------------------	------------------------------	---	---	----------------------------

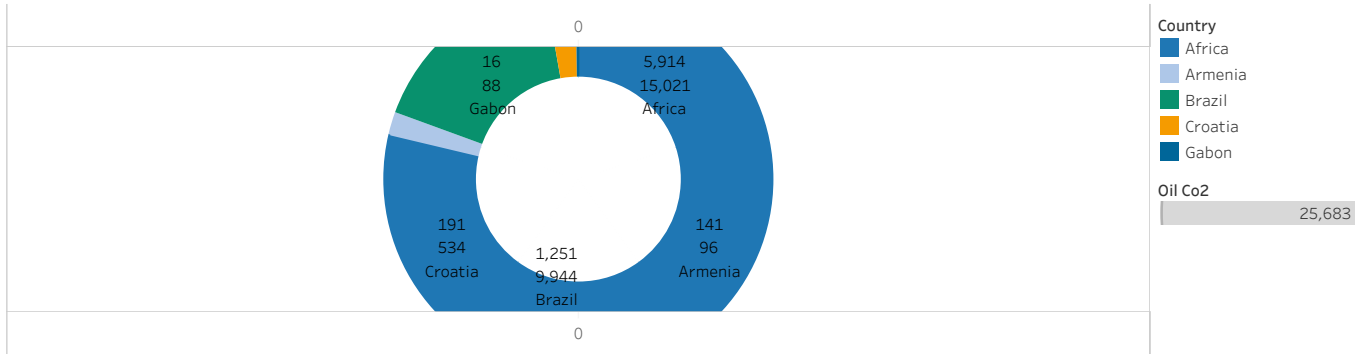

Story 1

Continent wise Co2 Emission	Capita wise Co2 Emission	Co2 Emission due to Internal	Continent Contribution due to Coal and Ceme..	Continent Contribution due to Gas and Oil	Emission for Past 10 Years	Over all Emission for China
-----------------------------	--------------------------	------------------------------	---	---	----------------------------	-----------------------------

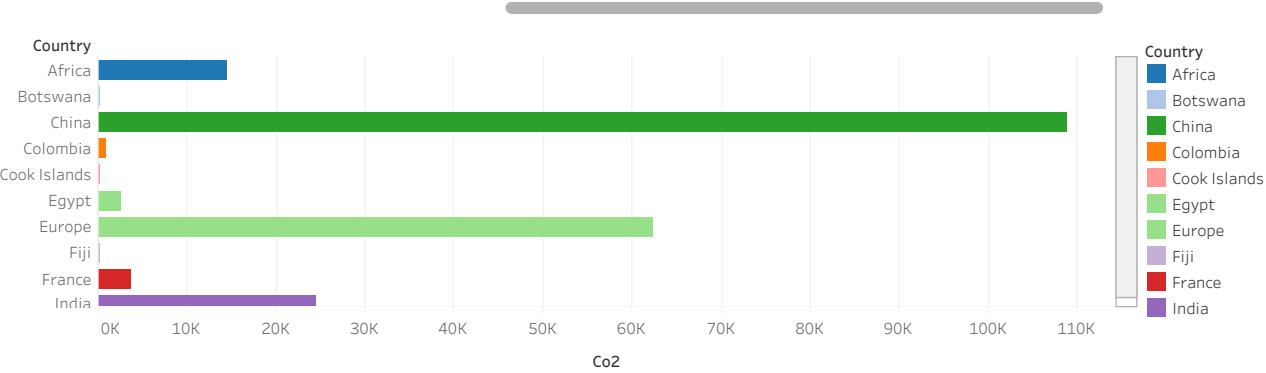

Story 1

Capita wise Co2 Emission	Co2 Emission due to Internal	Continent Contribution due to Coal and Ceme..	Continent Contribution due to Gas and Oil	Emission for Past 10 Years	Over all Emission for China	Continent Contribution due to Countries
--------------------------	------------------------------	---	---	----------------------------	-----------------------------	---

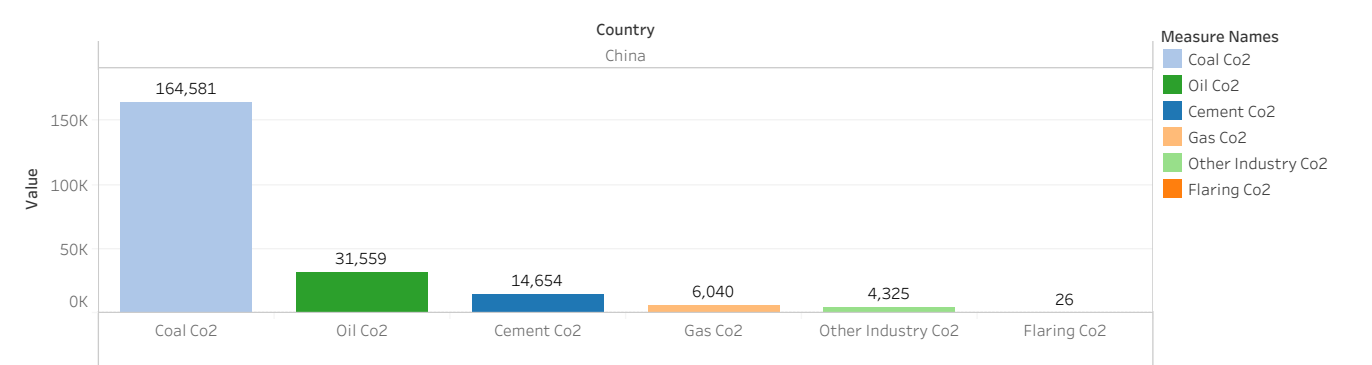

Story 1

Co2 Emission due to Internal	Continent Contribution due to Coal and Ceme..	Continent Contribution due to Gas and Oil	Emission for Past 10 Years	Over all Emission for China	Continent Contribution due to Countries	Co2Emission for Cumulative and Per C..
------------------------------	---	---	----------------------------	-----------------------------	---	--

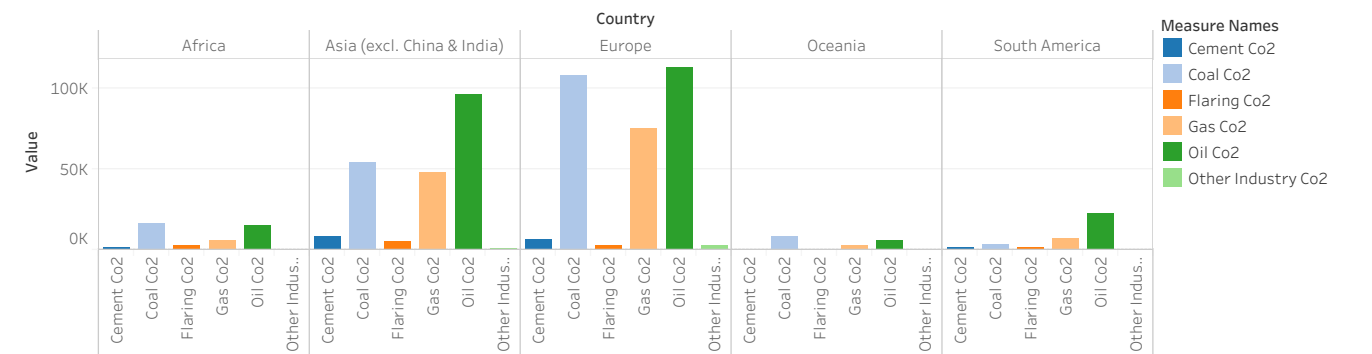

Story 1

Continent Contribution due to C..	Continent Contribution due to Gas and Oil	Emission for Past 10 Years	Over all Emission for China	Continent Contribution due to Countries	Co2Emission for Cumulative and Per C..	Co2 Emission in the Year of2020
-----------------------------------	---	----------------------------	-----------------------------	---	--	---------------------------------

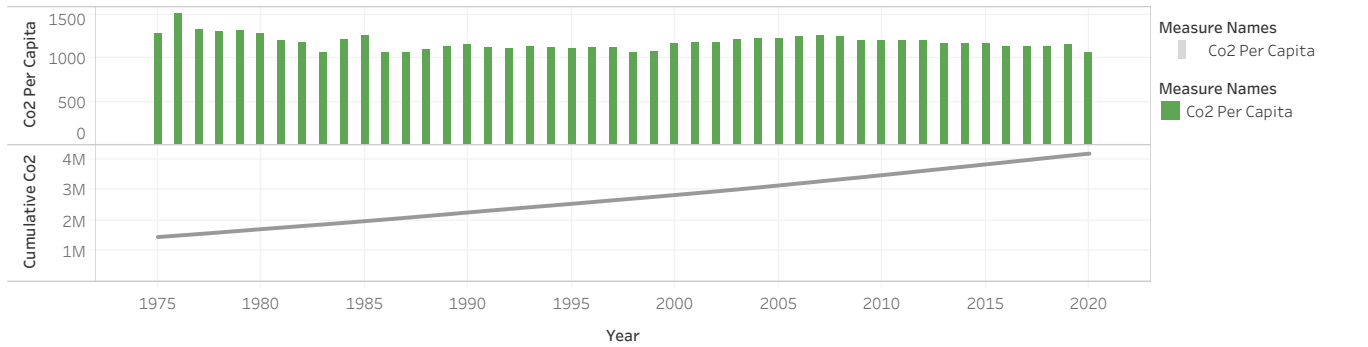

Story 1

Continent Contribution due to G..	Emission for Past 10 Years	Over all Emission for China	Continent Contribution due to Countries	Co2Emission for Cumulative and Per C..	Co2 Emission in the Year of2020	Co2 Emission for China vs India due to Intern..
--------------------------------------	-------------------------------	--------------------------------	--	---	------------------------------------	--

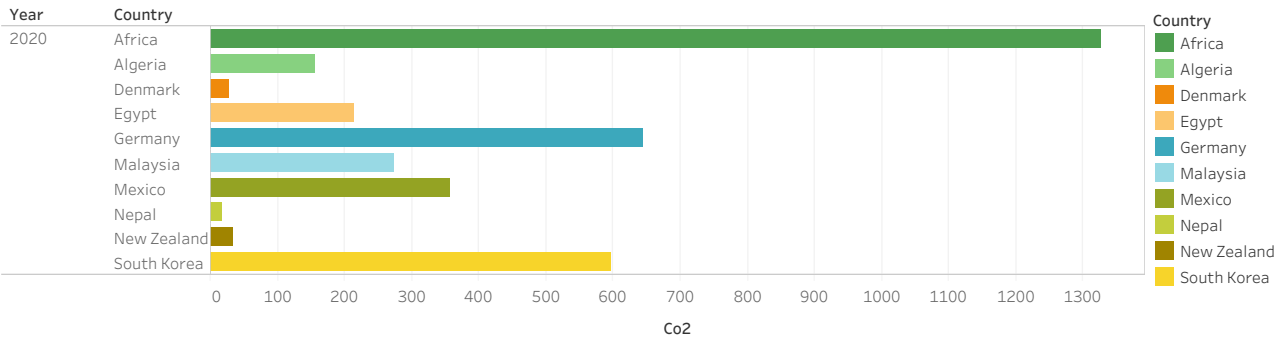

Story 1

Emission for Past 10 Years	Over all Emission for China	Continent Contribution due to Countries	Co2Emission for Cumulative and Per C..	Co2 Emission in the Year of2020	Co2 Emission for China vs India due to Intern..	Co2 Rate over Years in 1975 to 2020
----------------------------	-----------------------------	---	--	---------------------------------	---	-------------------------------------

Story 1

Emission for Past 10 Years	Over all Emission for China	Continent Contribution due to Countries	Co2Emission for Cumulative and Per C..	Co2 Emission in the Year of2020	Co2 Emission for China vs India due to Intern..	Co2 Rate over Years in 1975 to 2020
----------------------------	-----------------------------	---	--	---------------------------------	---	-------------------------------------

Story 1

Emission for Past 10 Years	Over all Emission for China	Continent Contribution due to Countries	Co2Emission for Cumulative and Per C..	Co2 Emission in the Year of2020	Co2 Emission for China vs India due to Intern..	Co2 Rate over Years in 1975 to 2020
----------------------------	-----------------------------	---	--	---------------------------------	---	-------------------------------------

Story 1

Emission for Past 10 Years	Over all Emission for China	Continent Contribution due to Countries	Co2Emission for Cumulative and Per C..	Co2 Emission in the Year of 2020	Co2 Emission for China vs India due to Intern..	Co2 Rate over Years in 1975 to 2020
----------------------------	-----------------------------	---	--	----------------------------------	---	-------------------------------------
